IMMEDIATE ACCESS

INTRODUCTION

Immediate Access is a partnership between textbook publishers and the **California Baptist University Campus Store** to lower the overall cost of course materials.

OVERVIEW

Immediate Access is an interactive learning platform that uses unique software to enhance a student's educational experience through easy to use **DIGITAL COURSE MATERIALS & TEXTBOOKS**. All of your Immediate Access Materials are made available through Blackboard prior to the first day of class. This eliminates the need to search for additional textbooks, as they are provided directly within the course page!

IMMEDIATE ACCESS PROGRAM

DAY ONE ACCESS

Immediate Access allows you instant access to your course materials prior to the first day of class. Additionally, you are able to navigate through the course materials as a trial period at no additional cost leading up to the add / drop date for the semester. Course materials can be found in your Blackboard account under the respective course page. Visit our website below for a quick tutorial on how to access your course materials!

LOWER PRICES

Immediate Access course materials are generally more affordable than the traditional print textbooks offered outside of the program. 95% of **I.A.** books cost less than \$55. On average students **SAVE** roughly \$75 or more per title. Additionally, Immediate Access Materials are NON-Taxable.

If you are enrolled in a course that is participating in **Immediate Access**, you are automatically opted-in to the program. Therefore, you do not need to purchase these materials separately, as your Student Account will automatically be charged for the cost of the materials. You can avoid these charges by opting-out of the program prior to the deadline!

COURSE & STUDY MATERIALS

Immediate Access gives you the benefit of having all of your course & study materials for a specific class, readily available to you in one convenient location. This includes 100% offline access for digital textbooks, multi-media labs, homework assignments & quizzes. Additionally, study materials are available for you to use internally, such as responsive highlighting & note taking.
